Invisible Jukebox Faust

Every month we play a musician a series of records which they are asked to identify and comment on — with no prior knowledge of what they're about to hear. Tested by David Stubbs: Photography: Anna Schori

Feat found in 1071 out of two promps brought together by promestic two Settleman, it is accorded into a contract with Phytics Generally by convictable, it is accorded into a contract with Phytics Generally by convicting the label that he was a contract of the property of the o

were a stal component in a loose movement of German groups which became known as 'Knutrock'. After So Fax, Polydor dropped Faust. The group signed to Vispin in the UK, who released the group's third album, the fragmentary but highly innovative The Pasor Rapes (1973).

The album was sold for the price of a single and consequently its sales were healthy, but it was met with general bemusement beyond a narrow band of devotees. Following Faust IV (1974) Virgin give up on Faust, and with Nettelback loales interest in the group. they drifted apart.

Fault were inactive in the 1980s, but their exputation was lapt allies by the Recommended Records alabel, which put out three abburse of previously unreleased material, Faust resumed activities in the early 90s, with a fine-up revolving around the reciseous of limite, Diormale and Peron. After two limited live albums on Table Of The Elements, Rise, produced by "My O'Rourke, was released in 1994.

The group have continued to tour and record since then, but their set-up has been unstable. Currently Faust are the trio of Peron, Diermaier and Amoury Cambuzat, though Irmier has recently taken another version of Faust on the

road with an alternative group of musicians.

The Julebox took place with Peron and Diermaler in North London.
